

# **LEGO CLUB**

*Presented by Mrs. Cervantes & Mrs. Ashcraft*

- Creative problem solving
- Concentration & perseverance
  - Designing
  - Planning & organizing
  - Teamwork
  - Communication
- Independent thinking

Favorite topics, such as outer space, monsters, machines, and sea and land travel, provide the platform for children's creative building and problem-solving activities, using a wide selection of LEGOs.

**Who:** K-2<sup>nd</sup> grade students

**Where:** Mrs. Young's office

**When:** Thursdays from 3:15-4:15\*

January 5, 2012 to May 17, 2012

**Cost:** \$170.00\*\*

Please make checks payable to **Caroline Cervantes**. Please complete, detach and return to the office the bottom portion of this form with payment.

\*Students who are not picked up 4:25 will be taken to daycare. Please be sure to tell your child if you will be picking them up or if they will need to go to daycare.

\*\*Due to costs in planning and organizing this after-school activity and purchasing necessary supplies, refunds cannot be granted once the semester begins.
