

Science Is For Kids!!

Thursdays

A fun and educational science program designed for the wonderment of preschoolers. The hands-on experiments, materials, literature, and scientific vocabulary will delight and amaze children as they experience nature, the human body, crystals, tornadoes and more! We'll use our inside and outside classrooms, including the Garden, to make all sorts of scientific discoveries!

- WHO: Preschool students
- WHEN: THURSDAYS from 3:00 to 4:00
January 5 - May 24
- WHERE: Ms. McQuarie's Room
- FEE: \$170.00 (includes all supplies)
- TEACHER: Jennifer McQuarie
- Class size: Maximum 16
