

Homework Help is a program designed just for your First, Second or Third Grader. What a great opportunity to begin the week without homework hassles!

Please understand that this program is designed to provide a quiet work environment, reminders to stay on task, and assistance as needed.

It should not be expected that individual tutoring for a student will occur. Additionally, homework will not be graded for accuracy as students complete it. It is still necessary for parents to verify that ALL homework has been completed with effort and accuracy.

Class size is limited to 16 students.

**When:** Mondays from 3:15-4:15, January 7 to May 14

\*Any student not picked up by 4:15 PM will be taken to daycare.

**Where:** Mrs. Miller's Classroom

**Who:** 1st, 2<sup>nd</sup> & 3<sup>rd</sup> Graders

**Cost:** \$180 \*Please make checks payable to **Ashlene Miller**.

Detach and return to the office the bottom portion of this form with payment.
