

Sunset Mesa Choir

Join the Sunset Mesa Choir! This after school activity will add to students' background in music basics and provide time to apply those basics through singing. The choir will perform for our school and, as opportunities arise, for other groups such as charitable organizations and retirement homes. Students will need black pants and a white shirt for performances. Don't miss this great experience!

WHO: 3rd-5th grade students who like to sing

WHERE: Music Room
