

Destination Imagination

Do you love to build and create new things? Are you a budding engineer? Well, this is the club for you!

If you are creative and love to use all different types of materials to build and craft creative things this is the class for you. We will be using recycled materials such as cans, cardboard, egg cartons and paper towel rolls to create and build unique items. We will also be completing STEM challenges. Come ready to solve problems, think creatively and make amazing things!

When: Tuesdays from 3:15pm-4:15pm, January 8 – May 21

Where: Mrs. Miller's room – Second Grade Building

Who: 1st grade – 4th grade

Teacher: Mrs. Miller

Cost: \$180
