

Creative Construction Club

Wednesdays

This class is perfect for artists who love to create and build art out of found objects and recyclable materials and also for those who love to draw, sketch & create! Student project ideas and creativity will be facilitated and guided by Mrs. Morris. Please note that students will be given access to tools such as hot glue guns, cutting boards and x-acto knives in this class. Any inappropriate or dangerous use of such tools will result in the student losing the privilege to utilize them. Student space is limited; so projects will be small scale to keep the classroom space as clean and clear as possible.

Who: 1st-2nd grade students

Where: Mrs. Morris's Art Room

When: Wednesdays from 3:15-4:15*
August 19 to October 14, 2020

Cost: \$90

*Students who are not picked up by 4:15 will be taken to daycare.

*Please be sure to tell your child if you will be picking them up or if they will need to go to daycare.

Club is limited to 17 members.

Return form below with payment to the school office. Please make checks payable to **Dena Morris**.
In-person registration only. Please do not respond by email or phone.
