

# DANCE AND TUMBLING CLUB

Are you always spinning, jumping and dancing? Then dance club is for you! This club is a stretch/strength and tumbling club for beginner to intermediate dancers. We want to make you the best dancer you can be while having a blast. We will work on many different styles of dance including ballet, lyrical, tap, jazz and hip hop. We will also focus on skill improvement, such as perfecting your grade jeté or learning an aerial, to help each dancer improve where they need to. Students will also get to create their own choreography and learn group routines. Join this fun class to start your dance journey or supplement your current classes!
