

Homework Help

3rd – 4th Grade

Monday

Homework Help is an excellent program to help your child learn in a quiet environment. I will help students develop a discipline for independent studying, provide a time to focus on completing homework, and supply assistance as needed. If there is no homework, students will be given grade appropriate activities that will help build their math and language skills. Resource materials and supplies will be available.

When: Mondays until 4:15, August 24 to October 12

*Any student not picked up by 4:20 PM will be taken to daycare.

Where: Ms. Huston's Classroom

Who: 3rd & 4th Graders

Cost: \$90

Club is limited to 17 members.

Return form below with payment to the school office. Please make checks payable to **Dolores Huston**.
In-person registration only. Please do not respond by email or phone.

Detach and return to the office the bottom portion of this form with payment.
